Notes for assisting at communion:
Underlined name, please come to the communion table during the invitation, to receive direct from the celebrant. Please wash your hands before serving, those distributing bread may also use hand gel. NB current health advice is that intinction (dipping the bread) is best done by those serving the bread.

NB to readers and intercessors:*
Please be ready by the sanctuary step well before your cue to read/lead (seats will be reserved for you).
Intercessors if possible please meet with the service leader(s) in the vestry before the service begins, thank you.
